JULY 2010

Sunday PM Kick-Off

June 27th, at the home of Chris and Sarah Pomerleau, there was a beautiful picture of what God is doing at SLBC.

First of all, there was over eighty people in attendance for this evening service. Long time members, new attendees, younger, and older. It is often said, and worth repeating, that the warmth and community of SLBC is overwhelming and greatly appreciated by many.

Three people gave testimony of their saving relationship with Jesus Christ and were then baptized in obedience and identification with their Savior Jesus Christ. What a joy to see mother and daughter (Kim and Megan Goding) share the way God has worked in their family's life. It was an evening of encour-

agement as God gave us a look at some fruits of our labor as a church. The work of Evangelism Explosion, our FW Friends program and Children Ministries, and the time and prayer given to these three individuals is evidence of God's hand in our midst. Praise God for allowing SLBC to be a part of such a work.

As alluded to earlier, there is a great sense of community at SLBC. The younger enjoy the company of the older. The older appreciate the involvement of the younger. What better way to illustrate this than a pool party!! Kids jumping in, adults diving in and yes, some being "helped" in. What a sight it was! What laughter was shared!

There is a thought out there, that if you commit to the Lord

and commit to a church, fun as you know it is over. Well, I say AMEN to that...because the fun that was had by those committed to Jesus and SLBC was some of the greatest fun to be had. And we should not feel bad about that. God created us and gave His only Son as the sacrifice so that we may have a right relationship with God. He delights in us, and in the fun shared by His beautiful church.

We hope to see many at our Sunday PM Fellowships throughout the summer. July 18, Aug 1, Aug 15, Aug 29.

“High Seas Expedition”

August 9 - August 13 will be our exciting Vacation Bible School program. This year the theme is "High Seas Expedition" and it is sure to be some fun sailing for all aboard! Kids will be engaged in music, games, snacks and more as they explore the Bible and the voyages of the apostle Paul. The daily Bible time is always a big hit as the characters of the Bible come alive to help kids get a fresh look

at what God has done... and what He wants to do for them, too. This VBS week is not only for kids who regularly attend SLBC. This is a great way to reach out to families in our communities. So get the word out and invite those neighborhood children, those grandchildren, and any other children you know. This VBS week is enjoyed not only by the children who attend but by the adults who

participate. If you have some time to give that week you will not regret it.

Don't Miss Out!!! For more information please see/contact Kim Veilleux.

See you aboard ship!

Here at South Lewiston we believe a truth based, relational and God-focused fellowship is what we and our community need today. If you do not presently have a home church to call your own, we invite you to consider being a part of SLBC. I trust that while you worship with us, you will see what the Lord Jesus Christ had in mind when He died for His church and what we have in mind in telling all we can about His love and grace.
