Car Derby

The annual Car Derby is an event that kids of ALL ages—even those big kids—look forward to. It is a great evening of fellowship, fun, and food. This year was no exception.

Incase you are not familiar with the Car Derby, let me explain. Participants of all ages purchase a wooden 'block' with accessories included. With some help from Ed Witham, Dick Wa-

ters, and their tools, the wooden block gets its framework. Then each participant gets to finish it off, painting it and dressing it up any way they please. One of the highlights of the evening is voting for the “best looking”, “most original”, and “people’s choice” awards. What some people think of and create is amazing! Take for example a castle, or a fish, or a ruby red slipper with the characters from Wizard of Oz as passengers! Then there are amazing stickers and paint jobs! There was even an angel in our midst this year. Of course, this is also a com-

petition and it is certainly fun to cheer on each car as they race it out for first place.

What is the greatest part of this night?

The smiles shared, the stories told, the new faces met and the age gap

nearly non-existent. It is an opportunity to enjoy a night out and just have some fun. I hope if you have not yet had the opportunity to participate in the Car Derby—whether as participant or supporter—that you find your way to the track next year!!!

Connecting With The Goding's

They have lived in Lewiston for the past 12 years. Eric designs houses for a modular home factory, and Kim is an office manager for a weatherization company. Megan is a fifth grader and Colby is a second grader at McMahan Elementary.

Some of our favorite things to do as a family include fam-

ily movie nights and eating tacos on the 6th of every month. Both Megan and Colby attended South Lewiston daycare when they were

younger, so we felt this church was a safe, comfortable place to start our family's journey with God. Little did we know we would be accepted with such open arms and hearts.

We now think of this church as our family, and we thank all of you for making us feel at home.

Here at South Lewiston we believe a truth based, relational and God-focused fellowship is what we and our community need today. If you do not presently have a home church to call your own, we invite you to consider being a part of SLBC. I trust that while you worship with us, you will see what the Lord Jesus Christ had in mind when He died for His church and what we have in mind in telling all we can about His love and grace.
