Pastor's Thoughts

A newsletter? They have been around for a long time. Churches have had them and then discarded them over the years. Some churches are reinventing the newsletter for use in this computer, website and social networking age. Why would we here at SLBC revisit this medium of information? Let me suggest just a few reasons.

It is obvious that information is still in vogue. Television shows like Entertainment Tonight and the overflowing number of magazines like “People” or “Us” bombard us with personal information concerning the “stars”. Unfortunately, our culture is most abuzz about the scandalous nature of the lives’ of people. We as a local church

believe that our lives’ do matter to God and to one another; not for scandal sake but for love’s sake.

People are “starving” for connection today. We have already mentioned the social networking phenomenon and skyping, and there is so much more. It is so easy for us as followers of Christ to simply

do church and consider that we have sufficiently connected with God and with other believers. We sometimes forget that the new testament. Epistles are full of names and lives’ of people who were just beginning to understand the incredible joy and significance of being connected together by the good news of Jesus Christ.

So we hope you will participate, read and enjoy this medium of “ευαγγελιον” good news. Romans 10:15.

Blessings,
Pastor

“illumin8” Youth Group

What’s happening at SLBC’s Youth Group-Illumin8! Inquisitive teens want to know...Who is Jesus Christ? What is truth? Is the entire Bible really true? What does all that mean for me? We are spending Tuesday evenings starting at 6pm in group study, answering these and other questions. After we spend time socializing, catching up, playing games etc.. We encourage

everyone to enjoy this time as well.

Beginning March 19, once a month, usually on a Friday evening, “illumin8” will host a coffee shop night. This will include music, food, games and more! We are praying that this provides an opportunity for our teens to invite friends who may not be comfortable starting out in a Bible

study format. As we build relationships, our hope is that they will see Jesus in us and will want to be a part of our Tuesday night studies. Don’t miss out!! We can’t wait to see what God is going to do!

Here at South Lewiston we believe a truth based, relational and God-focused fellowship is what we and our community need today. If you do not presently have a home church to call your own, we invite you to consider being a part of SLBC. I trust that while you worship with us, you will see what the Lord Jesus Christ had in mind when He died for His church. and what we have in mind in telling all we can about His love and grace.
